Good Friday afternoon all. Please be informed that the Macomb COC HUD project renewal applications are due next Tuesday, Aug. 30, as previously notified. New information is a request for the project APR to be submitted to MCA, the collaborative application as well. Also, attached please find the updated timeline and scoring tool for the ranking committee. If you need assistance with the application process or navigating esnaps. please let Julie, Heather and I know.

Also, please be on the lookout for emails requesting provider assistance with applicable portions of the overall COC application pertaining to target populations or specific expertise.

Thanks for all your great work and enjoy the weekend!
